Remark:

1 Sample description:

Overall dimensions (mm): 420 (Depth) x1380 (Width) x830 (Height)

Weight (kg): 48.4

2 Below information was missing on the instructions:

The product information shall be supplied in the language of the country where the furniture is sold and shall contain at least the following, if applicable.

a) any unit intended to be attached to the building shall be supplied with installation instructions.

b) installation shall be carried out exactly according to the manufacturer's instructions – otherwise a safety risk can occur if incorrectly installed; a warning shall be given to the consumer of related risks:

EXAMPLE 1 For floor standing units intended to be attached to the building: WARNING In order to prevent overturning this product must be used with the wall attachment device provided.

EXAMPLE 2 For wall hanging units: WARNING In order to prevent falling down this product must be used with the wall attachment device provided.

EXAMPLE 3 For wall hanging units and top hanging units: WARNING Assess the suitability of the wall/ceiling to ensure that the fastening devices will withstand the forces generated.

c) where there are no open stops for the extension element information shall be provided about the potential risk of extension element can be pulled out of the unit.

d) for TV-furniture the maximum size and weight of the TV set, which the TV-furniture is designed to support.

For self-assembly furniture the following additional information is required:

e) list of parts supplied;

f) list of tools required;

g) diagram of the bolts and other fastenings required.

Date Sample Received: Dec 25,2024

Testing Period: Dec 25,2024 To Jan 06,2025

End of report
